

pooling provisions of another order issued pursuant to the Act.

(b) *Producer-handler plant* means a plant operated by a producer-handler as defined in any order (including this part) issued pursuant to the Act.

(c) *Partially regulated distributing plant* means a distributing plant that does not qualify as a pool plant and is not an other order plant, a governmental agency plant, or a producer-handler plant.

(d) *Unregulated supply plant* means a nonpool plant, except an other order plant, a governmental agency plant, or a producer handler plant, from which fluid milk products are moved during the month to a pool plant qualified pursuant to § 1138.7.

(e) *Governmental agency plant* means a plant owned and operated by a governmental agency or establishment which processes or packages milk or filled milk that is distributed in the marketing area. Such plant shall be exempt from the pricing and pooling provisions of this order.

(f) *Exempt plant* means any plant that has monthly route disposition of 150,000 pounds or less that may be exempt from the pricing and pooling provisions of this order if the handler operating the plant files timely reports as specified by the market administrator and maintains adequate books and records that are made available to the market administrator which will enable determination of the exempt status of such plant.

#### § 1138.9 Handler.

*Handler* means: (a) Any person who operates a pool plant;

(b) Any cooperative association with respect to the milk of producers which it causes to be diverted pursuant to § 1138.13 for the account of such cooperative association;

(c) Any cooperative association with respect to milk that it receives for its account from the farm of a producer for delivery to a pool plant of another handler in a tank truck owned and operated by, or under the control of, such cooperative association, unless both the cooperative association and the operator of the pool plant notify the market administrator prior to the time that such milk is delivered to the pool

plant that the plant operator will be the handler for such milk and will purchase such milk on the basis of weights determined from its measurement at the farm and butterfat tests determined from farm bulk tank samples. Milk for which the cooperative association is the handler pursuant to this paragraph shall be deemed to have been received by the cooperative association at the location of the pool plant to which such milk is delivered;

(d) Any person who operates a partially regulated distributing plant;

(e) Any person who is a producer-handler or who operates a governmental agency or exempt plant; and

(f) Any person who operates an other order plant described in § 1138.7(e) or an unregulated supply plant.

#### § 1138.10 Producer-handler.

*Producer-handler* means any person:

(a) Who processes and packages milk from his or her own farm's production;

(b) Who has route disposition within the marketing area consisting of any portion of such milk;

(c) Who receives no fluid milk products from other dairy farmers or from any source other than a pool plant and whose receipts from pool plants are not in excess of 11,000 pounds per month;

(d) Who disposes of no other source milk as Class I milk except by increasing the nonfat milk solids content of the fluid milk products received from own farm production or pool plants; and

(e) Who furnishes to the Market Administrator for verification, subject to review by the Secretary, evidence that the care and management of all the dairy animals and other resources necessary to produce the entire amount of fluid milk products handled (excluding receipts from pool plants) is the personal enterprise of and at the personal risk of such person and the operation of the processing and distribution business is the personal enterprise of and at the personal risk of the same person.
